## **2021 AGS NATIONAL SHOW SPONSORSHIP FORM**

### **SPONSOR BENEFITS:**

Sponsoring a livestock event is a sure method to reach a captive audience of potential customers, as well as featuring your company!

All sponsorships received will be provided recognition in the show catalog. Additionally, with a sponsorship of \$100 or more, an announcement will be made at the end of the class/award sponsored acknowledging your sponsorship.

With a minimum sponsorship of \$250, an announcement will be made at the end of the class/award sponsored acknowledging your sponsorship and offering a short (30 words maximum) advertisement, written by your company.

All our sponsors offering a minimum of \$500 sponsorship will be offered free booth space at the event, to use as the sponsor wishes as vendor (all vendor fees waived), advertising space, or educational support. Please ask about the space available so that we may offer adequate square footage for your intended use.
